

WEDDINGS

We would love to assist in creating the perfect event for your special occasion. Be it a wedding, engagement, birthday or anniversary, our team at The Marine is on hand to ensure the perfect celebration is planned with you from start to finish.

Select one of our intimate venues or spaces at our beautiful seaside location, and our guest relations team will assist with great food, ideas and the finer details. A wedding is a celebration of the coming together of two families through the union of two people. We design your wedding experience at The Marine around four elements which include exceptional service, unique setting, exquisite accommodation and cutting-edge cuisine and world-class wines.

Your guests are our guests. At The Marine we celebrate the culture of impeccable hospitality, and extend an authentic and warm welcome to all who cross our threshold.

Our team has been trained in traditional hospitality values. This means while great care is given to attention to detail, the service is intuitive and never obtrusive.

During your celebration our team will attend to all the finer details: from making sure both you and your wedding party are comfortable in your accommodation, to the details of the ceremony and a seamless roll-out of the reception.

Our team look forward to creating a magical experience for you and your wedding party.

The Greens

Just as its name suggests, The Greens is a beautiful area covered with green lawn, running parallel to the fynbos-lined cliff path skirting the hotel. The views are mesmerising, encompassing Walker Bay and distant mountain ranges. From here, during your ceremony, guests will be able enjoy fresh sea air laced with the aromas of the local fynbos. Conveniently, The Greens is adjacent to The Sun Lounge, which makes for an easy flow from ceremony to canapés and champagne.

The Sun Lounge

Large, high windows ensure that the sun floods in and leads the eye to stunning views of Walker Bay, making this venue a chic and meaningful indoor space for both a ceremony as well as a reception.

This area can accommodate 80 people cocktail-style, and 32 for banquets.

The Pavilion

Glamorous and edgy, this fine dining restaurant is an exceptional space for a wedding reception. Think a striking interior, with beautiful views over Walker Bay. Guests can dance the night away 1920s style on the black-and-white chequerboard floor. The centrepiece of the restaurant's interior is the glass wine cellar, which has been designed to look as if individual bottles are floating under the star-like ceiling lights.

CUTTING EDGE CUISINE & WORLD CLASS WINES

Our executive chef, Peter Tempelhoff, oversees all of the restaurants in The Collection by Liz McGrath. And as such, each and every menu is held to his high standard. "If it is not the best it can be, it doesn't belong on the menu!" At The Marine, head chef Grant Parker will meet directly with the bridal couple prior to their wedding day, to ensure the creation of a personalised set menu that tells the couple's unique story. This can take the shape of anything you wish, from a fine-dining reception dinner to a champagne breakfast or relaxed lunch.
